# HISTORY

founded 1882

Historical picture of the Benedikt´s family

The history of the company of G. Benedikt has started in 1882 when the Benedikts´ brothers founded the family company in Karlovy Vary. To the honor of them, the company was named „Gebrüder Benedikt“ alias „the Benedikts´ brothers“.

# KARLOVY VARY

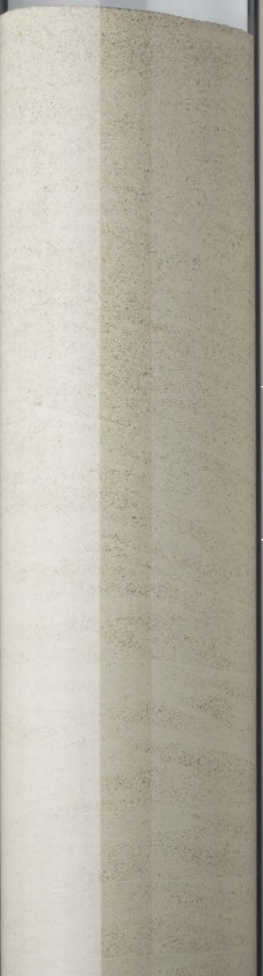

The most known Czech spa and the home of our porcelain. Close to the city the Sedlec kaolin has been mined. This kaolin is the most important component for the production and is one of the best in the world-wide.

limestone increases the gloss of the porcelain

feldspar melts and connects the other parts of the porcelain

kaolin the word „kaolin“ comes from Chinese Kao-ling tchu „the clay from the High hill“

grinding stones during the grinding they are becoming smaller and smaller till they are disappeared

quartz sand makes the glass effect of the glaze

pressing granules the hollow granules are being used for the production of the plates

# RAW MATERIALS

Matěj Polách & Machek MiR.  
designers

# DESIGN

Our own team of designers who transfers the requests of the contemporary gastronomy and our customers into the real products.

# CRAFTSMANSHIP

Even in today's hi-tech age, we are still using craftsmanship of our masters who are able to breathe a new life into every shape.

David Král  
Craftsmanship master.

# PRODUCTION

We use different technologies for the production - from the traditional casting up to contemporary isostatic presses.

Zdeněk Lím  
Technician

Lukáš Krejčí  
Technologist

# QUALITY

The right technological procedure is being checked during the entire production process up to the final quality control.

sales team

# TRADITION

The shape Benedikt was reintroduced again in 2012 when celebrating 130th anniversary of the company as a reminding of the successful history of G. Benedikt.
